COVID-19 OPERATIONAL UPDATE

To our Valued Customers and Employees,

As details and precautions related to the COVID-19 global outbreak continues to evolve, we are committed to taking all steps necessary to prevent the spread of the virus, while continuing to operate, but it can no longer be business as usual.

As an effort to manage the COVID-19 crisis and reduce exposure, we are **temporarily** closing the Mission, BC Branch effective Thursday, March 19, 2020. I want to ensure you that all deliveries will still go out including those formerly handled by our Mission Branch and, of course, our excellent service will continue out of our other three BC branches.

During this brief closure, we do encourage you to call anyone of our BC Branches:

Langley 604-533-2313

Surrey 604-591-5141

Burnaby 604-253-4121

And if you would prefer, our regular Mission number will be forwarded to our Langley branch.

We are looking forward to re-opening our Mission, BC branch as soon as the current crisis ends.

I would again like to thank you all for your patronage, patience and dedication during this complex period. I will endeavor to give regular updates during this time to keep all of you up to date on further changes, safety measures and operational challenge.

Sincerely,

Toby Wadsworth
Vice President, Dryco Building Supplies.
